

Shepton Mallet
Window
Wanderland
30th Nov - 3rd Dec

What is Window Wanderland?

- Window Wanderland is a festival taking place in windows across Shepton Mallet in November
- Its open to homes, businesses – anyone with a window!
- Its free to take part and is about creating a magical night trail across the town!

What kind of things go in windows?

- It could be a black paper and tissue paper design – which looks a bit like stained glass
- Or it could be an installation – some flying objects hung up!
- Or your favourite teddies or toys lit up with fairy lights
- Or if you are allowed you could paint on your windows!

LIBRARY

— ENTRANCE IN MARKET PLACE —

SHEEPTON MALLETT

Is there a theme?

- No, its completely open – it's at the end of November (30th Nov – 3rd Dec) so could be Christmassy if you like but it is open to your ideas!
- It could be inspired by a book, an animal, a place, a film, a message for your community, a game, or anything in your imagination!

How do I take part?

- Search Window Wanderland Shepton Mallet online and follow the link to sign up (it's on the flyers you will take home)
- It takes 2 mins and is free to register – you just type in and search your address and you will be on the map!

You can collect your free making pack from Shepton Mallet Town Council, The Library or Art Bank

There is a free workshop on Sunday 19th November at Paul Street Community Centre
1:30 – 3:30pm

We hope you'll sign up and join in and cannot wait to see what you create!
