Expenses: Mileage reimbursed

Training: DBS check (provided), Safeguarding and Volunteer Induction

Who we're looking for

We're looking for caring, reliable volunteers to help **deliver our Brighter Days carers packs** to people across Mendip. These doorstep drop-offs make a big difference — they bring creativity, comfort and connection to people who often feel unseen.

As a **Delivery Volunteer**, you'll:

- Collect packs from our Shepton base (or designated pickup point)
- Deliver them to carers in your local area
- Offer a friendly smile and brief doorstep check-in if wanted
- Be part of a supportive team making a real impact across the community

This role is perfect for you if you:

- Enjoy being out and about and meeting new people
- Want to make a flexible, low-pressure difference
- Are a safe, reliable driver with access to a car
- Can offer kindness, discretion and respect

You'll need to complete a DBS check (we'll arrange this) and attend a short safeguarding training. Deliveries are scheduled to suit your availability — you can opt in when it works for you.
